"WE ECHO YOUR PRAISE"

—Alma Mater

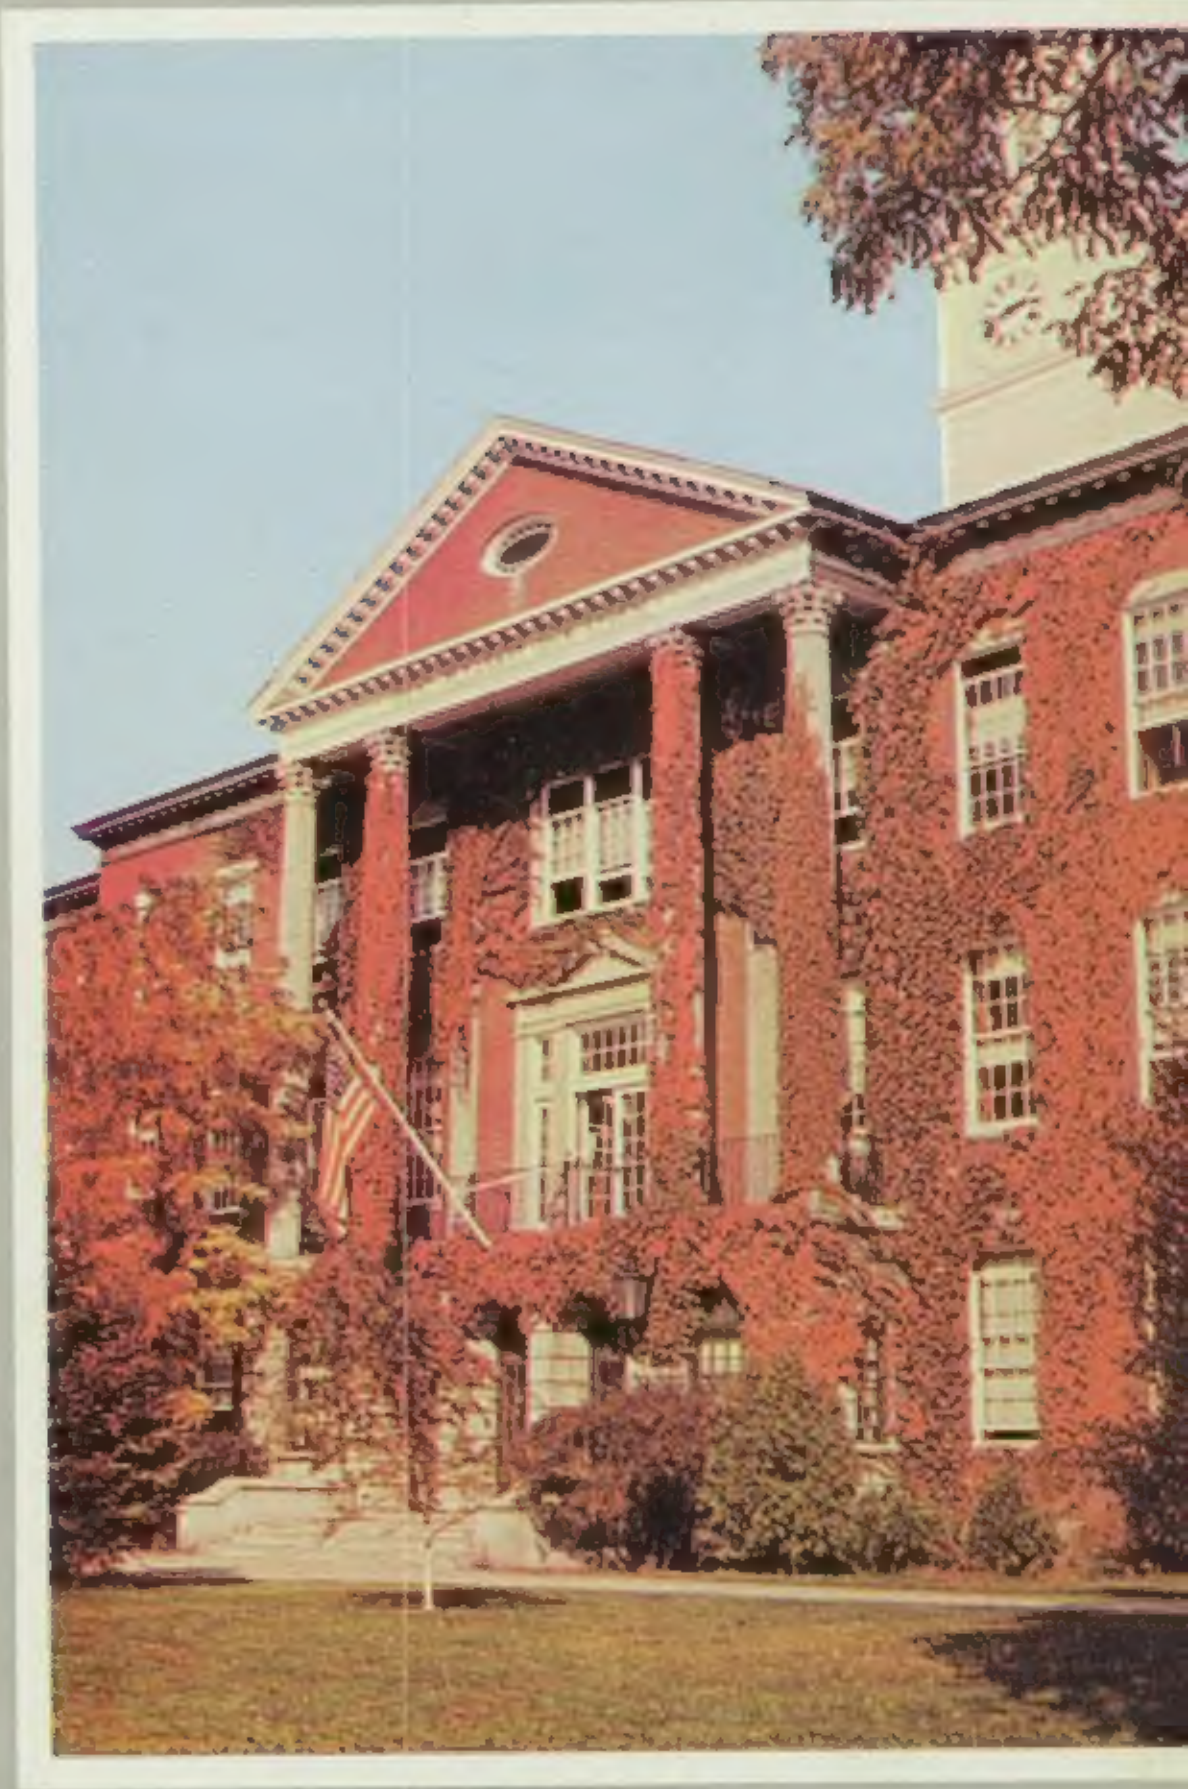

Mont Pleasant, during the last three years, you have come to mean so much more to us than just the name of our school. You have become a symbol of all the hopes and fears, all the tears and triumphs that we have spent in laying our foundation. Your name is permanently carved in our hearts. We have served loyally; and you have repaid us with a reputable background, a broad start to our education and fabulous memories. In future years we shall recall the inexpressible thrill of our first days. As freshmen, we stood at the foot of the lawn, looking up in awed fascination at your magnificence. We looked at you as juniors swelling with pride and loyalty. We shall recall the saddest thrill, the first day we stood outside as seniors. Still awed and fascinated, still proud and loyal, we realized that we should have to leave soon, our hearts filled and overflowing with love and gratitude.

The face on the old tower clock is ticking our sojourn to its end. We have just enough time to reflect upon what we have built, our foundation. You will then become part of our past as we continue into the future; but if ever our memory falters, we can again be transported into our days with you, Mont Pleasant, through the magic of OUR YEARBOOK.

Betty

Foreword

During our three years at Mont Pleasant, our lives have been altered in many ways. By acquiring knowledge, we have broadened our viewpoints on a multitude of subjects, including our outlook on life. At the present time the future is still misty and elusive. We have spent many hours working hard and having good times, building an ever-mounting foundation for our future.

Class parties and other activities have filled our three years. Through them we have learned to appreciate more fully the meaning of the word "cooperation" the ability to work with others. This is an important support for our foundation. Meeting different types of people and gaining new friendships, learning in our classes, working to gain knowledge: all these in future years will prove valuable assets.

This '57 yearbook is a record of the three years which we have spent at Mont Pleasant. This is a record of our preparation—our FOUNDATION FOR THE FUTURE.

Reception for Mr. Sayles: Mr. Abba, Mr. Sayles, Mr. Morhous
and Marjorie Alberts.

Good. The
first. The
first. The

"The old order changeth yielding place to new," said the poet Tennyson. Mr. Francis Morhous, a member of the faculty since Mont Pleasant began, and the principal for two and one-half years, left in January of 1957. He assumed the Nott Terrace High School principalship formally held by the late Roy E. Abbey. He will serve as principal of the Linton High School which, when completed, will replace Nott Terrace. Mr. Donald Sayles, a Mont Pleasant alumnus who has succeeded Mr. Morhous, was assistant principal here for two years. Mr. Charles Abba, who came to us in September of 1956 as our vice-principal, is also a former student.

With the invaluable aid of the other members of the administration, they have continued to perform well the exacting task of . . . BUILDING OUR CHARACTERS.

We dedicate

"Gratitude is the memory of the heart"

—Jean Baptiste Massieu

We are grateful to a man who has served Mont Pleasant as teacher, assistant principal, and principal from September, 1931, until January 1, 1957. On that day he became the principal of Nott Terrace High School. He is devoted to the highest ideals and standards of education and has spent the years striving to maintain these principles in our school.

It was with regret that we learned he was leaving us. We realized that we were losing a friend who has greatly influenced our lives and who has carried on the fine traditions of Mont Pleasant. As a special tribute to and appreciation for all that he has done, we, the Class of 1957, dedicate our yearbook to our former principal, MR. FRANCIS E. MORHOUS.

DONALD E. SAYLES
Principal

PRINCIPAL'S MESSAGE

During the past year at Mont Pleasant High School, one of the fine athletic coaches, in explaining an unexpected team victory, summed up his reasons in one word. This factor, the intangible to which success was ascribed when failure had been deemed a foregone conclusion by observers in the community, was termed "hustle." When you give your all, mentally and physically, throughout the contest with persistency and consistency, whether the issue at stake be large or small, then you are exemplifying "hustle."

We need not limit the good that may be derived from this characteristic to the basketball court for it is applicable in all walks of life. Some of you will leave Mont Pleasant to enter the world of productive employment. Others will postpone such careers for a few more years while continuing to pursue more advanced aspects of formal education. If, in your high school years, you have made the most of the excellent faculty and educational facilities which our community has worked so hard to provide for you, if you have "hustled"; then you can be certain that you are well prepared, no matter which of these directions you may be heading.

Continue to apply yourself, giving your all no matter what the size of the task may be. Avoid the smooth road to mediocrity for the bumpier road to true success; and at the end of the trip you will be able to look back and honestly say,

The world is a better place for those who are here and those who are yet to come because of the life I have lived and the contributions I have made while I have been here.

Donald E. Sayles

TO OUR CLASS DEANS

Elizabeth Sherley

Bruno Caldaro

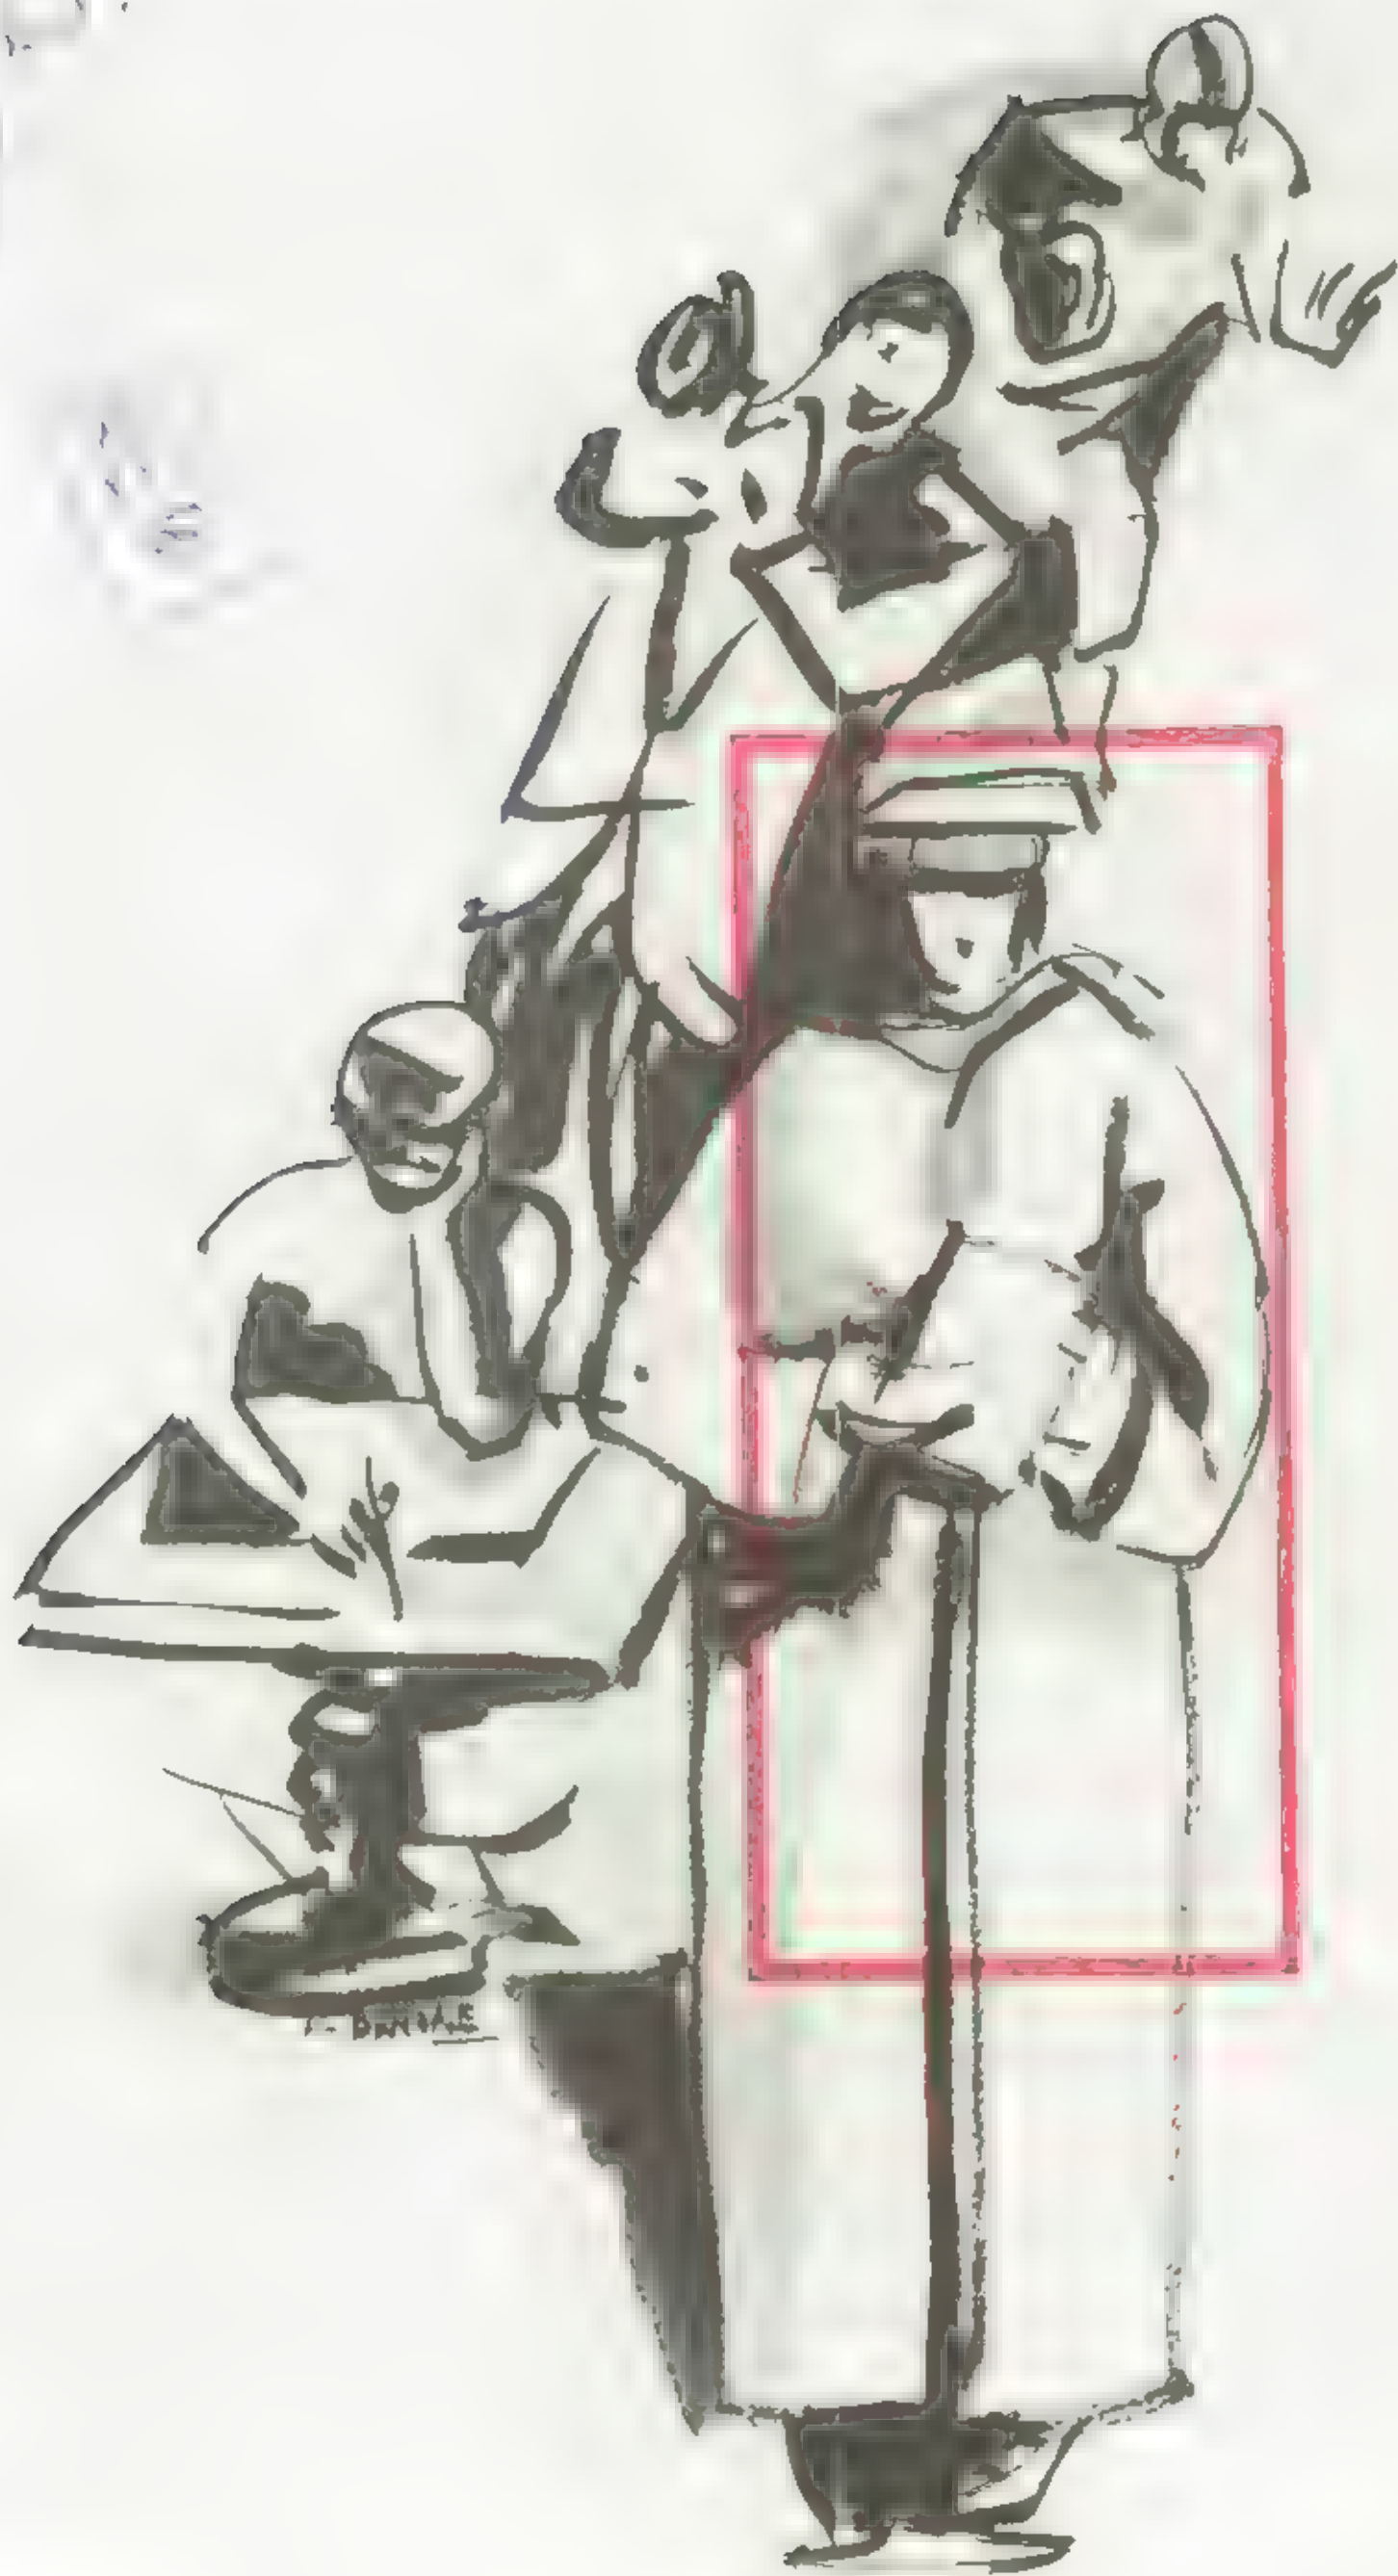

For their friendliness which has continued since the first day, three years ago when they welcomed us to Mont Pleasant, we thank them.

For their continued interest and support in our every enterprise, we are grateful.

For their guidance and inspiration, we are appreciative

For their devotion not only to the success of the class as a whole but also to individuals, we express admiration and affection for our deans, Mrs. Elizabeth Sherley and Mr. Bruno Caldaro.

no. 100
11/11

The present Senior Class holds a fine record at Mont Pleasant. It has accomplished many things of which we may be proud. In addition, our hearts are filled with memories of the wonderful times we have had as a class. We have a task ahead of us—to go forth into the world alone. It is important to have as part of our foundation an opportunity to develop our own likes, dislikes, abilities, and interests so that we may be better prepared to give our personal contributions. The time is nearing when we shall see each senior as an individual, for after graduation we must prove that through the years, we have been . . .

A vital part of our foundation here at Mont Pleasant is our classes. Almost every field of interest is included in the curriculum. English and history form the base of everyone's education. Those preparing for college are offered science and language. Clerical work, such as typing and shorthand, identifies our future secretaries. Specialized fields found represented in the technical school give boys an opportunity to begin a study of their chosen careers. Just as our classes are vital to our foundation, so our teachers are vital to our classes. Their work should not go unappreciated by us, for they struggle ceaselessly to help us in . . . BUILDING OUR MINDS.

For a Middleton

Senior English Class does research in poetry.

ENGLISH

The King's English is a language of wide origin. During our three years at Mont Pleasant we are trained to understand and to appreciate this great heritage.

We are offered a variety of courses to help us achieve important skills and habits in the use of English. Some of these courses in addition to the required English are Public Speaking, Dramatics, Radio, Workshop, and Creative Writing.

Patricia Giagiacumo, James Staley, Thomas Greer, Miss Jarvis, and Sterling Johnson critique a short story in the Creative Writing class.

Mary Tanno, winner of \$50 Bond in "I Speak For Democracy" Contest, practices her speech in the radio workshop.

In the Language Lab one can hear many native French and German voices.

LANGUAGE

With our ever-shrinking world, nations grow closer; people have become more closely united. The Language Department gives the students an idea of the tongues and culture of our neighbor countries. Also included in the Language Department are special courses called Spoken French and Spoken German. Laboratories provide opportunities to get added practice.

"The World is getting smaller" Mr. Delahanty explains to Marilyn Fallon, and Russell Harrington.

CITIZENSHIP EDUCATION

In this ever-changing age, each student must be prepared to meet the challenges encountered. Our History Department provides us with preparation for tomorrow. Here we not only learn past history, but we become acquainted with today's problems and opportunities. This course promotes clear thinking and sound judgment.

Miss Ireland's American History class learns that a knowledge of geography is a good background for the study of history.

Mr. Sherley helps Rosemary Viscusi find a first derivation in calculus.

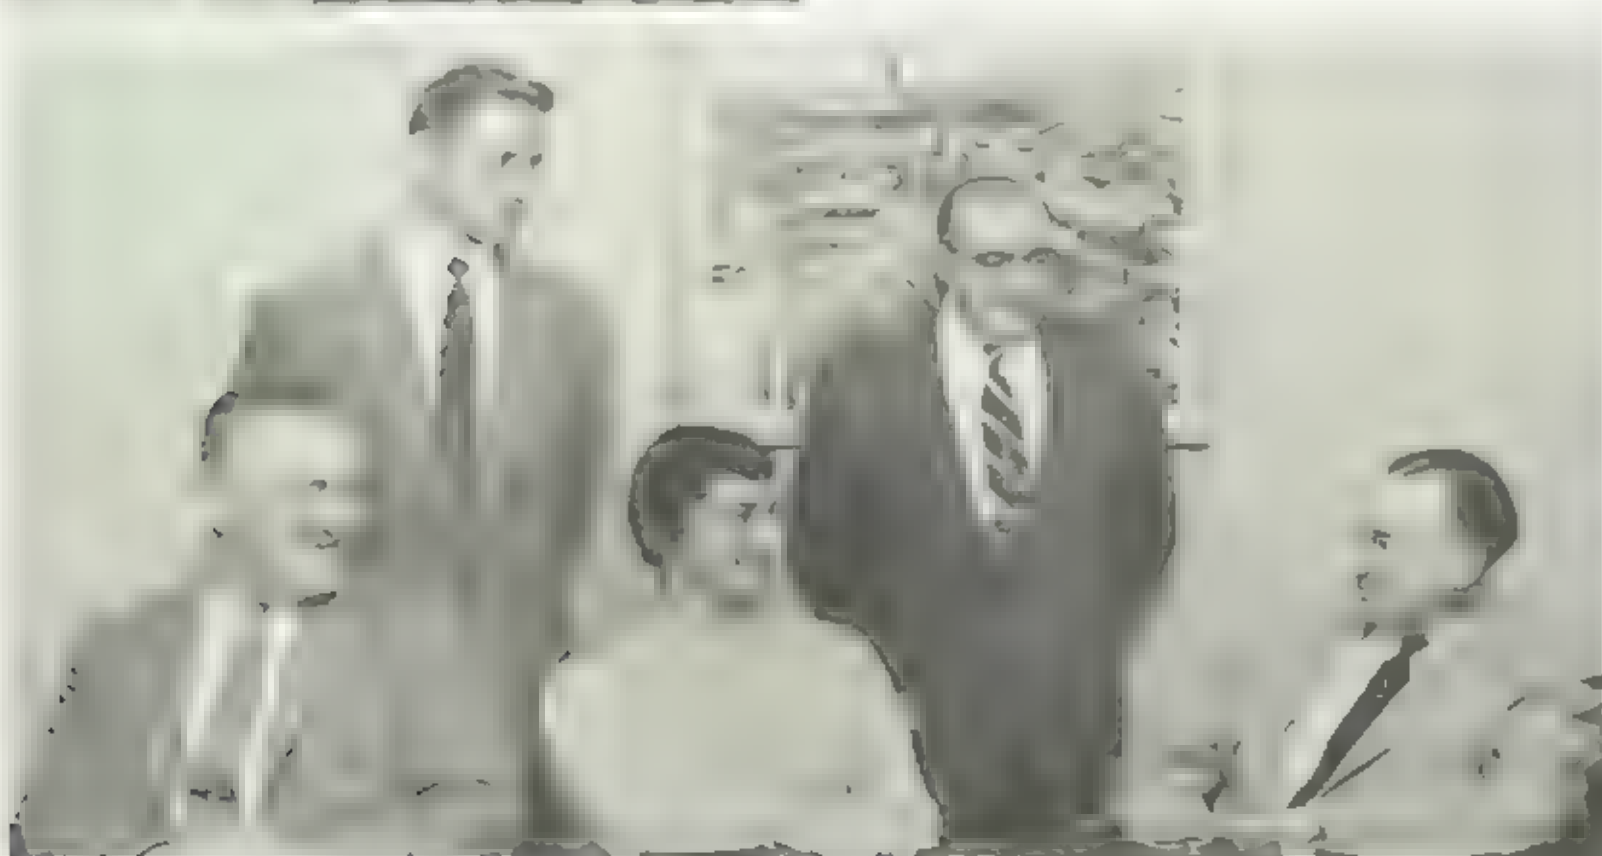

Lorraine Szumilowski, Judith Gross and Richard Remis experiment in chemistry lab.

William Hoines explains a logarithm example to his classmates.

MATHEMATICS

Mathematics is becoming increasingly important as we enter the Atomic Age. At Mont Pleasant courses are offered which pave the way to careers in science, business, and the arts. A class of especially interested students is taking analytic geometry and calculus, a college level course. In so doing they hope to obtain advanced standing in college.

SCIENCE

Our world is now one in which science plays a major role. Each day new discoveries are made which will change our lives in the future. Since much stress is placed on the need for more scientists, the steady enrollment of this department is satisfying. It is in these courses that the foundations for the future scientists and engineers are built.

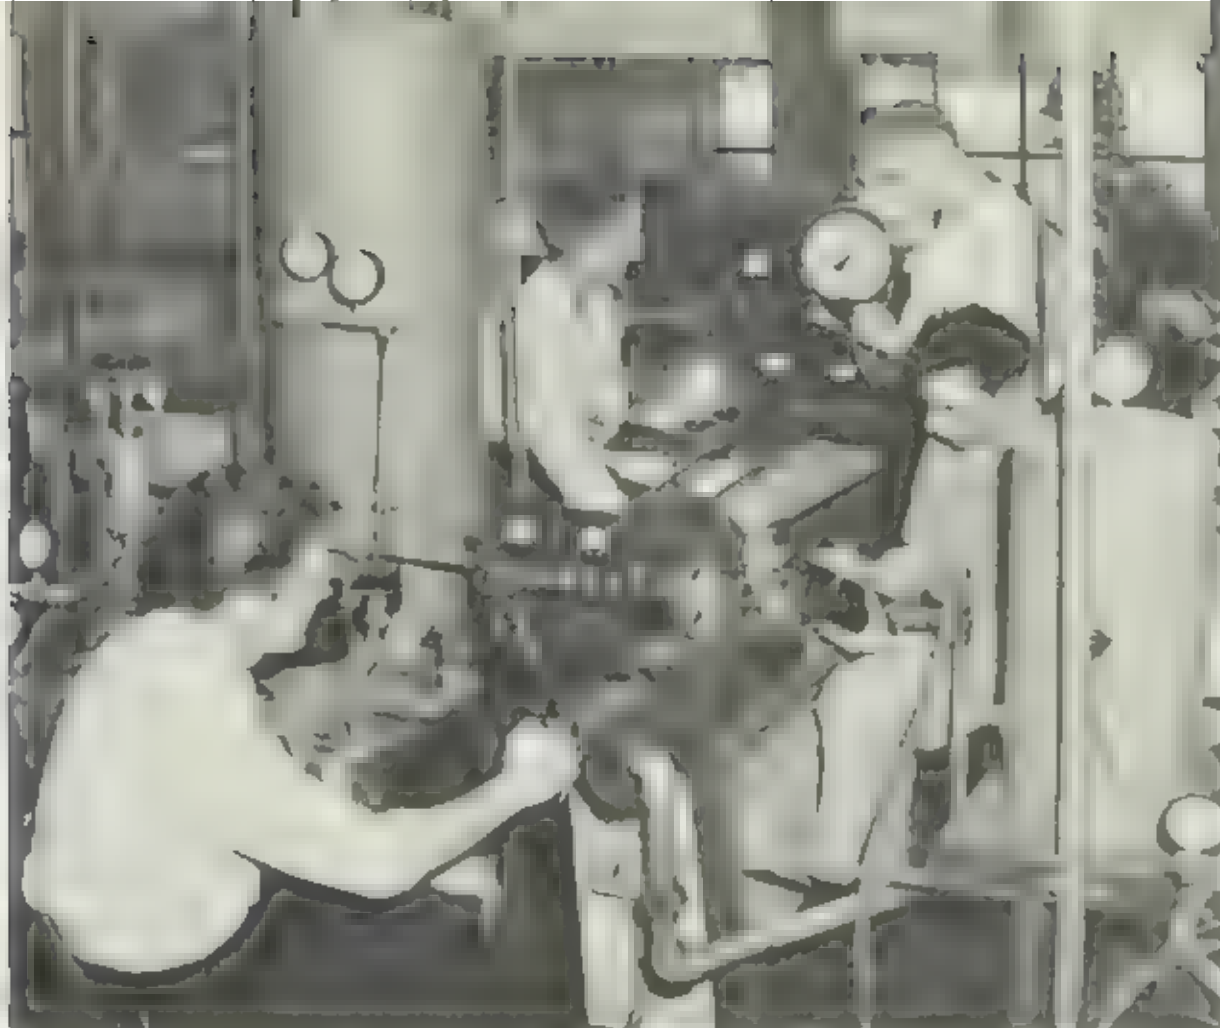

In biology Margaret Racht records while Margaret Ruote and Albert Shannon look at specimens

The operation of a model artesian well is demonstrated by Dane Chrysanthus and William Mastriani.

Hopeful applicants for the Westinghouse Talent Search, Bianche Greene and John Taylor, hand examination papers to Mr. Stone

A test involving a water turbine and electrical generator is performed by boys in the Technical Physics Class.

Mr. Carke trains machine designers of the future

TECHNICAL

In our scientific world the need for technical schools has greatly increased. Our Technical Course is designed to provide a good foundation in mathematics, science, drafting, electrical and mechanical technology which is essential to the future growth in the field of modern industry. The course prepares the students either for further work in college or for immediate entry into industry.

Clem Crow, Stephen Cobish, and James Kay test electronic equipment in the laboratory.

The path behind us holds memories of rich experiences, and the path ahead splits into the future's numerous ways. Upon our graduation from Mont Pleasant, we shall separate and travel these different paths, but our success partially depends upon the fellowship experience we have had during these three years. Through the clubs of which we were members and the activities in which we participated, we have gained valuable practice in team work. The senior class has shared much, and through companionship we have established lasting bonds. Our fellowship and high school life will soon be behind us, but we—the graduating class—look ahead to the future. We are fortunate to have this foundation to aid us: that we have been . . . BUILDING OUR FRIENDSHIPS.

Our years in high school have been livened with many gala parties. We will remember vividly the excited preparation, the last-minute bustle, and the fun experienced at them.

On April 20, 1956, our Junior Prom transformed the girls' gym into a Sea Kingdom. Aquarelle was our theme, and the evening's excitement reached its peak at the coronation of Frances Shaw as

our Sea Goddess. The surprise of the evening was the crowning of Diane Bryniarski as Sea Princess, thus honoring her outstanding service to the class in making the prom a success.

Other parties included in our memories of Mont Pleasant were our own Freshman Party, our Junior Christmas Party, and our Senior Christmas Party.

Nancy Agans places crown on head of Sea Goddess, Frances Shaw

PARTIES

AND PROMS

Transforming the Gym into a Kingdom under the sea.

Most Popular—Peter Mounhan, Carol Middleton

Best Dressed—Jeanette Holve, Patsy Golo

It is traditional each year, in January, for the seniors to honor members of their class who have been outstanding in various ways during their high school years.

Congratulations to the following:

SENIOR POLL

Best Looking—Frances Shaw, James Kayor

ART STAFF

MONTANEER STAFF

The Yearbook Staff, with the aid of its sponsors, does the work involved in publishing The Montaneer. The art staff designs the cover and does the page layouts for the entire book; the editorial staff does all the writing connected with the book and the advertising committee solicits advertisements. The business managers handle the selling of the yearbook to the students. It is the task of the co-editors to coordinate the yearbook. All of these committees must work together in order to publish an outstanding yearbook.

WATCHTOWER HOMEROOM REPRESENTATIVES

The Watchtower Editorial Staff writes, edits and publishes eight to ten issues of the school paper each year. The paper has often been acknowledged as one of the finest in the state. Many features will be remembered, including "Top of the Hill," which gives recognition to outstanding seniors.

In addition to the journalists in Room 141, a vital part of the Watchtower functions is the Watchtower advertising staff. Each member gives his time to solicit ads from local merchants. Without this financial aid the paper would not be possible.

The advisors, too, have a great deal to do with the success of the paper. They are Mr. Richard Decker of the editorial staff and Mr. Bruno Caldaro of the advertising staff.

The Watchtower homeroom representatives, also under the direction of Mr. Bruno Caldaro, sell and distribute the Watchtower throughout the school. Every homeroom through the efforts of the representative tries to reach the goal of one hundred per cent circulation.

ADVISORY COUNCIL

Christmas Food Drive

KEY CLUB

Made up of leaders of our school community, the Key Club devotes its efforts to service to others.

The club, affiliated with the Kiwanis, participates in many projects. This year has been highlighted by the annual pre-Terrace game pep rally, the Christmas food drive and other activities.

The real value, however, of such an organization is the number of inconspicuous services it performs, such as providing ushers at Mont Pleasant-Nott Terrace football and basketball games, giving money and aid for school Christmas decorating, and polishing trophies.

It operates under the motto "We Build" and the Key Club international theme, "Prove Brotherhood," through sincere service and promotion of school spirit.

CURRENT EVENTS CLUB

The purpose of the Current Events Club, open to interested students, is to provide an opportunity to explore history, culture, economics, politics and our present-day world. Reports are made by the members on these subjects and are usually followed by group discussions. In the club, the members learn to form mature opinions which help to build for the future

BAND

SYMPHONIC SINGERS

ORCHESTRA

Band and Orchestra are electives giving participants scholastic credit as well as helping them to appreciate music. The Band represents Mont Pleasant at home football games, parades and pep rallies, and gives concerts in conjunction with the Orchestra. In addition to concerts with the Band, the Orchestra gives the participants an opportunity to play classical music.

The Symphonic Singers is a group of students from the large choir whose membership is determined by voice and ability to read music. They sing at school concerts and at the Christmas program. In addition, they perform for community groups, such as Kiwanis and Rotary, and give concerts in out-of-state schools. Because of their enthusiastic participation in extra rehearsals at seven-thirty in the morning and through the efforts of Mr. J. Stanley Lansing, director, theirs is an outstanding choral group.

STUDENT STORE CLUB

Student Store at noontime

Organized in 1948, the Students' Store Club is composed of girls from the Commercial Course who give up a part of their time to work in the students' store. The store provides Mont Pleasant students with a convenient and economical place to buy their school supplies, collects subscriptions for the yearbook, and thus also gives the club members a chance to gain practical experience in store work.

Band uniforms, pictures and other "extras" are bought for the school by the club from the profits which they make.

CADET TEACHERS

The Cadet Teaching Program, under the direction of Miss Alice Holmes, offers practical experience for those students interested in becoming teachers, nurses, sociologists or school psychologists. The Cadets work with classroom teachers in various elementary schools throughout the area, gaining an understanding of children at various ages. They also hold seminars and attend lectures to help them learn more about teaching.

The Future Teachers of America is an association for those students who are interested in teaching, including those unable to take part in the Cadet Teaching Program.

TECHNICAL SENIORS

The Technical Seniors have an excellent background in mathematics and science courses essential to future growth in technical fields of modern industry. They spend considerable time in the shops and laboratories where they actually use their science and mathematics; thus they learn by doing. As a result, they can enter either industry or engineering college with equal facilities. Many graduates have distinguished themselves in college and engineering fields, and industry in general.

A chest, made every three years by Mr. James McCafferty's wood working classes, is filled by Mont Pleasant students with useful articles. The chest, sponsored by the Council, is sent to a foreign country.

G. A. C.

Since its organization in 1931, the Girls' Athletic Club has administered the girls' athletic program. Its aim is to build rational and wholesome sentiments, habits, and leadership. It has provided the financial means for such projects as a typewriter for the gym office, record player and amplifier for the gym and varsity suits for the girls' Tennis and Hockey teams. It also sets the standards for the awards given to girls participating in after-school sports.

SPORTSMEN'S CLUB

Riflemen

The Sportsman's Club is open to all boys who are interested in outdoor activities. The Club has a variety of purposes: to develop the qualities of true sportsmanship; to create an active interest in the conservation of game, fish, forests and streams; to encourage an interest in outdoor activities which may become a hobby in adult life.

Front Row left to right: N. D. Jean, J. Marano, A. DeNovo, A. DeNovo, F. Melanson, M. Shannon, M. Caldaro. Second Row: J. Haines (President), K. Hill, M. MacDonald, T. Stanza, G. Buono, J. SKI CLUB

The Ski Club was established so that students who enjoy skiing would have an organization which would sponsor trips to various ski trails in New York State and surrounding areas. One of their most successful ventures this year was a trip to Speculator under the supervision of Mr. Terry, Sponsor.

CHEERLEADERS AND MAJORETTES

It is the job of the cheerleaders to whip up school spirit at pep rallies and lead cheers at school games. There are two cheerleading squads, the Junior Varsity and the Varsity. The squads are carefully chosen from freshman girls, meeting specified requirements.

Majorettes add color and spirit to the football games and pep rallies, with routines and baton twirling. They march with the band when it represents Mont Pleasant in parades.

AND MAJORETTES
IN ACTION

Our athletic program at Mont Pleasant is extensive and offers the students an opportunity to think and work as a team rather than individuals. This will benefit us because we will soon have to work as a team in an office, laboratory, or in any other field. Competition is the spice of life, and through high school sports we learn the rules for future competition. We have fared well in the stimulating world of athletics. We are proud of our athletes, not only because of their high sports rating but also because of their tremendous spirit and good sportsmanship. We have been building our minds to create a foundation for our thoughts and ideas, and to form a firm foundation for our inner selves, we have also been . . . BUILDING OUR BODIES

Nott Terrace - Mont Pleasant Football Game.

FOOTBALL

Mont Pleasant's Red Raiders began the 1956 grid season protecting an eleven-game winning streak against downstate White Plains, September 22.

The Plainsmen, trying to avenge two straight defeats at the hands of the Hill looked as if they might return home with an opening win, but halfback Virgil Griffin scored two quick touchdowns to lead the Pleasant team to a hard-fought 19-18 victory.

On September 29, the Mulvaneymen pounded out a 42-6 victory over Albany at Hawkins Stadium in their first league game. Five Raiders scored to insure their thirteenth straight victory.

Mont Pleasant met Newburg Free Academy October 5 at Schenectady Stadium. They showed good offensive power and a tight defense in rolling to a 38-0 win.

The Raiders rolled up more than 500 yards, rushing and passing while overpowering Amsterdam 53-0 on October 12.

The Raiders' string of 15 straight victories over a three-year span ended abruptly as they fell victim to Kingston on the opponent's home field by a score of 14-7. Playing poorly on a wet field, the Hill failed to click in many scoring chances. Kingston's ground attack accounted for both Yellow Jacket scores.

Pleasant rebounded October 26 against Troy by emerging 20-0 victors over the fellow class A leaguers, cementing the Class A league title for the Hill.

Election Day saw the Raiders completely outclass their cross-town opponents in rambling to a 52-12 victory. Scoring in every period, the Hill totaled more points than ever before in the annual Nott Terrace-Mont Pleasant classic.

Richard Koretnicki, first string fullback, injured after the Kingston game and out of play for the rest of the season.

Gary Trout and Coach Mulvaney discuss the next play.

ALL COUNTY EIGHT

Mont Pleasant was greatly honored this year when eight of the all-county eleven, chosen by the Union Star, were from our varsity team. These boys worked hard, under the direction of Larry Mulvaney, and were outstanding in their positions. We are proud to recognize them as part of our team. Congratulations, boys!

Our Football Managers

BASKETBALL

Mont Pleasant, under our new coach, Dick Suprunowicz, faced one of its toughest schedules in recent years, in a year that appeared to be one of rebuilding and planning for the future.

Highlights of regular season play were the 52-47 victory over Nott Terrace and the 76-72 upset of Oneonta.

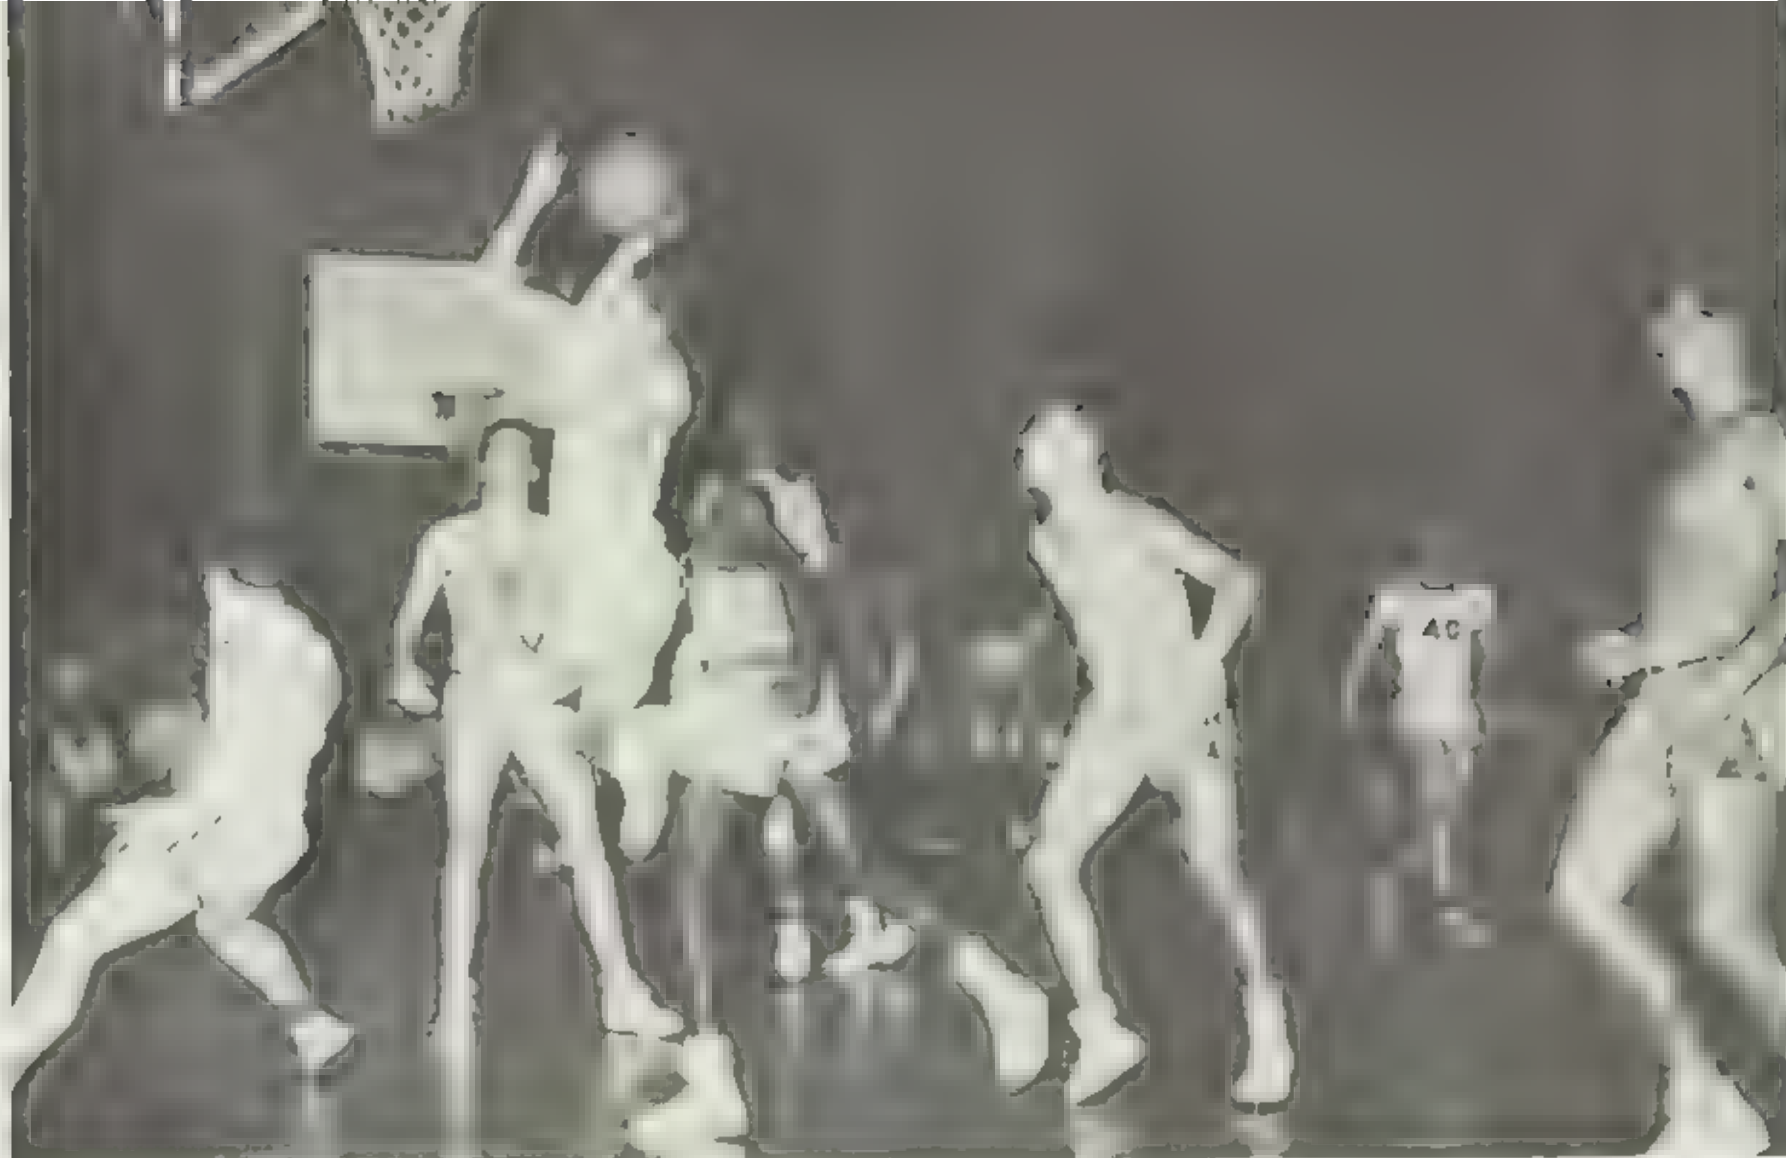

The Red Raiders poured out all their energy and skill into the Mont Pleasant-Nott Terrace game, hustling from the start to finish. Their spirit reached its peak, adding the spark to win.

At Oneonta, paced by Billy Kirvin's record tying 35 points, the Raiders came from behind to win one of the most thrilling games of the season.

The Hill, showing lack of experience, started slowly but gained momentum as the season progressed, finishing with a 4-4 league record.

R. Mada, Bana, Tama, R. Ellis, L. Fadman, A. Sabat, L. S. ...

Although running without any seniors this year, the Cross Country Team turned in a respectable record.

They won the triangular meet with Gloversville and LaSalle. The harriers placed fourth in the Proctor Run at Utica and third in the Grout Run. They showed very

well in winning the St. John's Meet and placing fourth in the N.Y.U. Meet, both in New York City.

Giving very good indications of a fine season next year, the Ray Vacca-coached Raiders placed second in the sectionals after a poor eleventh-place finish in the Fordham Run.

WRESTLING

Clem Crow in Gloversville Match

David Pause in Saratoga Match

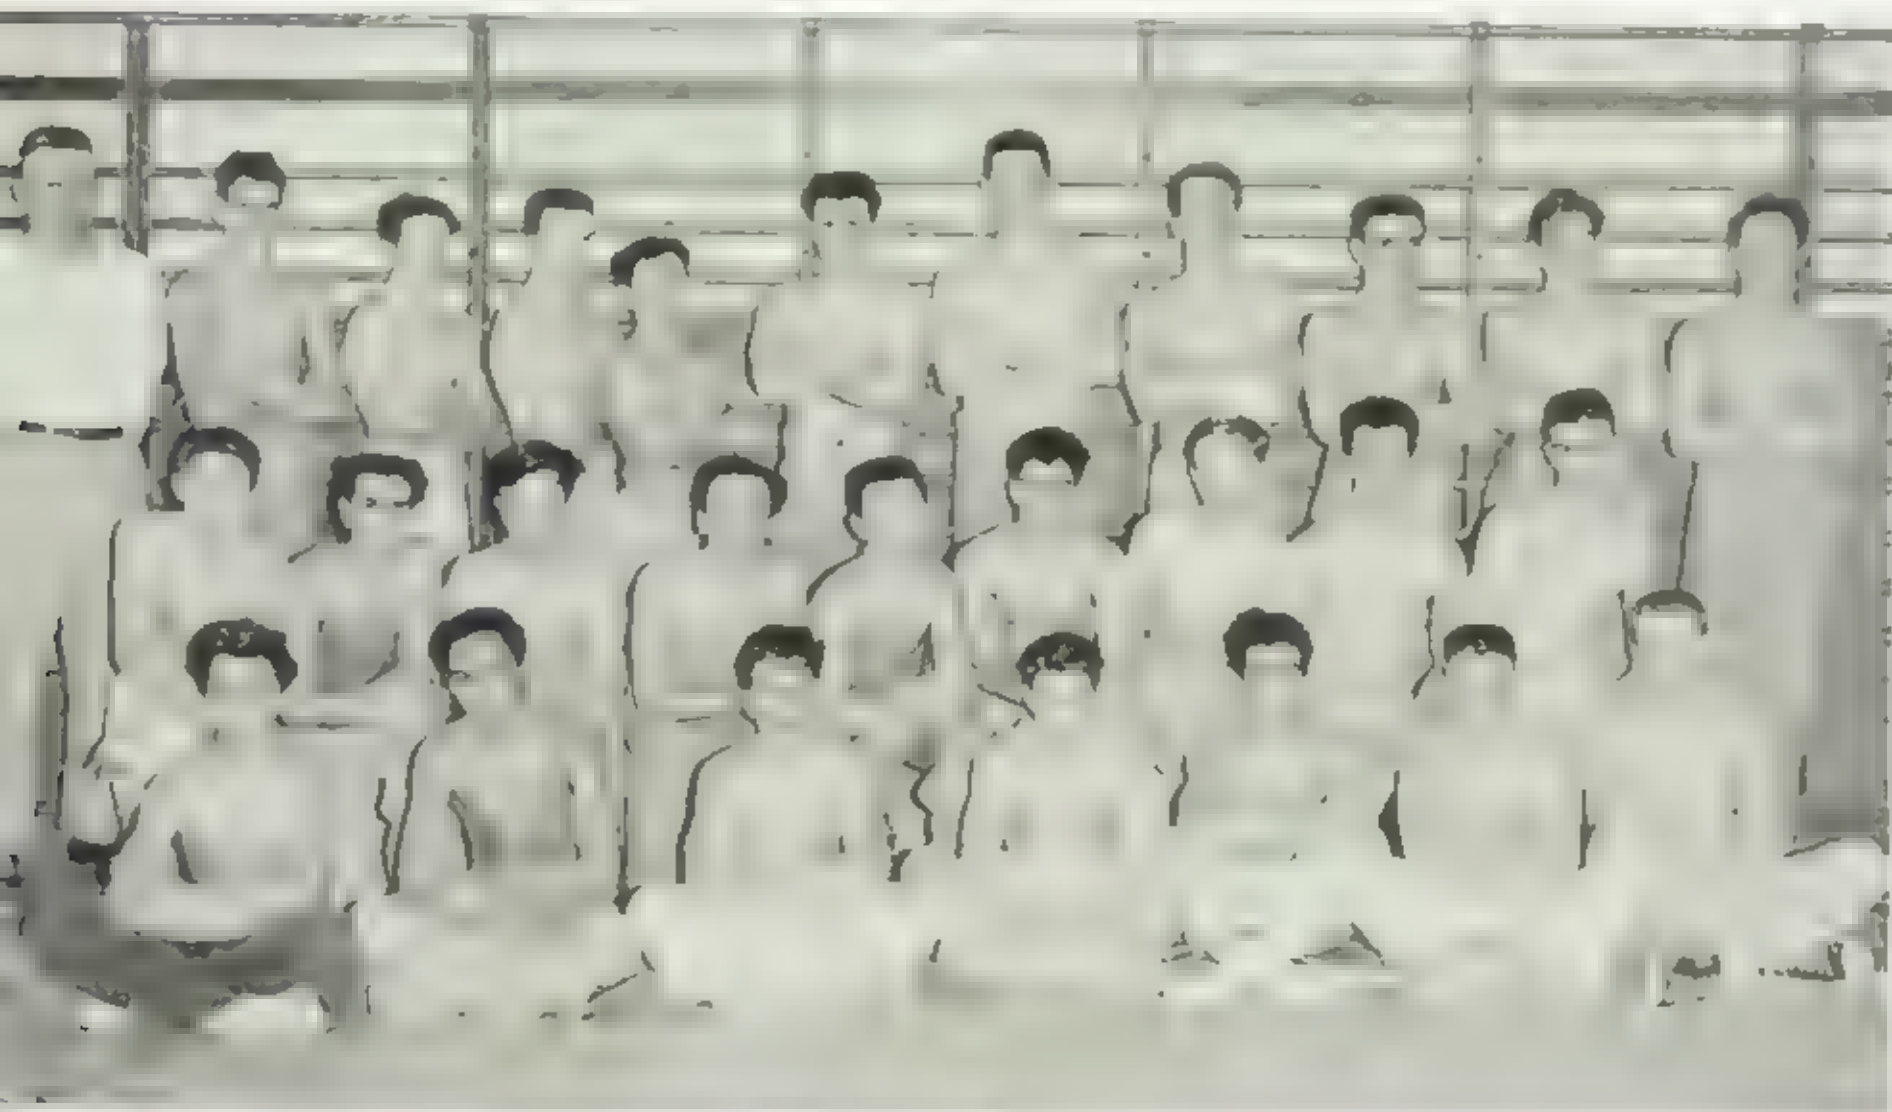

The wrestling squad of Mont Pleasant had a successful season during '55-'56. It lost only one match in 9 straights. The loss was to Rome Free Academy which excels in wrestling. During the season Mont Pleasant scored 270 points while having only 70

points scored against it. The biggest individual team score was 48 points that was tallied against Schoharie which had only 3 points.

The 1956-57 team appears to be in for a good season with 6 returning varsity lettermen. The returning men are Larry Nealon, Clem Crow, Frank Jankowy, Dave Pause and Billy Mastriani. Frank Jankowy and Clem Crow went undefeated during the last season.

WRESTLING TEAM

Front Row is (so right) C. DePaola, F. Crow, M. Van Rager, D. Lawrence, D. DeLoe, L. Nealon, R. O'Conner. Second Row: J. Grimes, A. Cassin, F. Jankowy, B. Rowe, M. Foster, P. St. John, A. Bradt, R. GOLF

The Raider Golfers, coached by Sig Makofski, came up with another fine season, winning eleven of their twelve matches. The only loss came at the hands of Nott Terrace, which reversed an early season setback.

With John Maurycy and Bill Haines showing the way, the team went on to place second in the sectionals but was not eligible for the championship after having won the first two years in a row.

GOLF TEAM

TENNIS TEAM

TENNIS

Mont Pleasant's tennis team, with five of its first six back last season, posted a fine 11-1 record. The only loss occurred at Oneonta where they lost 3-4.

The Raiders went on to win the Sectional Championship at Central Park with Don Flynn and John Renwick placing first and second respectively.

Overhead Smash

TENNIS

In 1956 the Girls' Varsity Tennis team sponsored by Miss Margaret Edwards extended its winning streak to twelve matches in a two-year span. The girls lost only two singles matches to Heatly High School. The victims of this year's team were Nott Terrace, twice; Heatly High of Green Island, twice; and Bethlehem Central.

STACKS OF WORK: Marie Palmieri, advertising; Carol Lou Repice, editorial; Ronald Ryan, art; Carol Fitzgerald, sales; Clark Russell, advertising

Through the conscientious efforts of our art and editorial committees, the Montaneer is as you see it. Behind the scenes, however, we find several motivating factors. The award winners of our school have contributed by building the reputation of Mont Pleasant. The honors they have received have made it worthwhile to carry out Mont Pleasant's prestige in her yearbook. This we have attempted to the best of our ability. It was the advertisers however, who made our efforts possible. The advertising committee solicited advertisements from Schenectady's businessmen, without whose generosity our yearbook could not have been. We gratefully express our appreciation to our patrons for their aid in . . . BUILDING OUR BOOK

EDITORS' MESSAGE

Dear Reader,

We are proud to present to you our yearbook, the 1957 MONTANEER. Many people have spent an infinite number of hours of industrious work, and we thank them all. Especially, we thank Miss Meigher, Mrs. Cherry, Miss Clark, and Mrs. Moon, our sponsors, for their ceaseless work; the student store staff and their sponsors for collecting subscription money; Mr. VanNuis, our publisher for his helpful suggestions; the typists who worked all hours; the literary staff for their diligent efforts, and the art staff who did and re-did many layouts and effects just to please us. We thank everyone for help and assistance, and hope you enjoy your yearbook for countless years to come.

Co-editors of the 1957 MONTANEER,

Karen Hill

Carolyn Somerfeldt

PROGRESS--Our Mutual Key

to

Success

Just as in industry, under the free enterprise system progress spells the difference in education.

Through your achievements as graduates you are emphasizing your own progress, as well as that of your community, your country and even the world.

American industry, too, thrives in direct proportion to its progress. This can only be the result of effort, just as your effort has brought you to the present milestone in your lives.

ALCO management and employes congratulate you for what you have made, and will make of yourselves in the future.

ALCO PRODUCTS, INCORPORATED

IF YOU DO NOT THINK
ABOUT THE FUTURE,
YOU CANNOT HAVE ONE.

— John Galsworthy

The happy, successful people in this world are the ones who looked ahead when they were your age.

Now is the time for you to think about your future. You must plan the course you want your life to take—and **DO SOMETHING ABOUT IT!**

Are you interested in a career in engineering in the sciences as a skilled craftsman? If so, a lifetime of satisfying, useful, well paid work can be yours at General Electric, Schenectady.

Traditionally the "hatchery" of exciting ideas for the General Electric Company the Schenectady plant has played a very important role in advancing world civilization from the gas light era to the electronic, nuclear, air age of today . . . and tomorrow.

And the Schenectady plant needs your active mind, your skillful hands.

You can become part of General Electric's progress toward better living for all. You can hitch your future to one of industry's most brilliant stars. But you must start planning right now.

Investigate! Consult your family, your faculty advisers. And by all means, write to us and tell us where your interests lie. We have a supply of interesting, informative literature that's yours for the asking.

Progress Is Our Most Important Product

AWARD WINNERS

One of the most impressive events in the year is the Senior Class Day when awards are presented to outstanding seniors, juniors, and freshmen. The awards given in the junior year are eagerly awaited, they are kept secret, and everyone wonders who will receive the outstanding honors. On these two pages are pictured some of the students who received the awards during the Class Day Assembly last June

On March 16 and 17, 1956, the dramatic classes presented the play "I Remember Mama." The play will be long remembered because of the heavy snowfall which fell during the day. The cast held to the old saying "The show must go on" and it did—after much excitement and fears that it wouldn't. Members of the cast and Mrs. Hodgkins, director of the play, all had opening night jitters, but in spite of the frequent jitters and the occasional forgotten lines, the play was a big success.

This year's play will be presented on March 15 and 16. It is a comedy entitled "Dear Ruth" and concerns a young girl (Pat Giagiacumo) who writes letters to service men and signs her older sister's name, Ruth (Jeanette Holeva) to them. Bill Seawright (Dick McClimans) comes home to see Ruth and finds her already engaged. She has never even heard of Bill! Through a series of plot complications Ruth finally marries Bill. If past performances are any indication, this year's play should be a success.

Handwritten notes at the top left of the page.

I don't know
if you will
be here
P.S.

Handwritten paragraph in the middle of the page, mostly illegible due to fading.

Handwritten text below the middle paragraph.

Handwritten text at the bottom right, possibly a signature or closing.

P.S. Don't forget to write

Dear Mr. [unclear]
 I have just received your letter of the 11th
 and am glad to hear from you.
 I am sorry that I cannot
 give you a more definite answer
 at this time, but I am sure
 that you will understand.
 I will be glad to see you
 when you are next in the
 city.
 Very truly,
 [Signature]

lots of luck
in your future years
at present. I'll probably
see you here next year
that is if I'm still alive
I would like to tell you that
I'm not as crazy as I act
but you know how it is I just
got to keep the study Hall from being
I get nervous when to much
your friend
Art
Carlson

Good Luck in your future
Maths Course's
Larry Callahan

To B.B.
remember our
beer cans.

J.A.
Remember, how could I forget

lots of
luck now
& in the future
Maryanne Wols

Best of luck
always to a
sweet
Diane

Best of luck
always to a sweet
Diane

Best wishes
Always,
Love Carol Lybelle

Remember
matt!!
J.A.

So sorry
you lost your
fine wonderful
fun in biology
Barbara Collins

The best of luck to one of the
best friends I know, Even though
you won't be here next year, I know
you'll make out okay wherever you
go. I'll never forget the nice time
you provided me with at the J.P. &
Picnic. Thank again

Paul Baker

Best of luck
to a sweet kid
Same of those
natives you young
are pretty funny
I hope you're feeling
happy everything
you wish
Janice

Best Wishes
Always Greg Beechle

To a real sweet
kid, with whom
I have enjoyed
knowing. Best
of Luck
Sheldon Karmish

Good luck after
school to a real
sweet girl. Always
stay as nice as
you are and remember
I'll be your friends at
Mont Pleasant.
Vino Taurus

Betty
Best Wishes
Hoss
Joan Tate

Some day you'll remember your
math class in Mont Pleasant and
probably think of a slight wise guy.
I hope where ~~every~~ you are that
you remain your wise cracking self
because that's the way I will re-
member you. Good luck always
Dave Fagzone Esq

To Betty,
Best of luck
to the rest of every
class. You've
always been loads
of fun with your
crazy remarks
We'll miss you

Remember
Anglin 11-F
J. A

Love ya,
Sandy
Lover

Betty,
Best of luck to you
I hope you'll be
happy at Mont Pleasant
for ever

To Betty,
I hope you and
the rest of the class
will miss you
as much as we do
Perfect luck to you
all you do in the future
may come from Mont
Pleasant
(Hoss)

Betty,
Best of luck always,
& thanks for those archery
lessons, which I never got to
shoot that arrow
always stay as nice as you
are.

Marie Perrot
